Dear Sir,

With reference to my D.O. letter of this date (received at 5-35 PM) I beg to inform you that my letter about Miss Palethorpe No 3244/157 of the 10th Instant was marked "very urgent" as Miss Palethorpe was offered the place of Lady Superintendent by telegram in anticipation of Government sanction according to the orders of the Comptroller in charge of the Educational Department, and she accepted the offer by telegram & left Bangkok for Mysore on or about the 10th Instant. Details about the urgency of the application were not given in my letter as it was thought that the Comptroller in charge

of the Department knew all details of the case
Secretary of the school had probably also informed
Government of all particulars I may add that
before the Committee ordered that the place should
be offered to Miss Palethorpe, Mr Fraser had ob-
tained the Resident's approval of the appointment
in an informal way My letter was marked
'very urgent' under the above circumstances Miss
Palethorpe should be in Bangalore or Mysore
within a few days

Miss Palethorpe informed the Committee
in one of her telegrams that her pay
at Bangkok was nearly seven hundred
Rupees

SIDGWICK HALL
NEWNHAM COLLEGE
CAMBRIDGE
June 27th 1891

Miss G L Palethorpe has been a student of Newnham College resident in Sidgwick Hall for the four years since October 1887 She gained the Gilchrist Scholarship in 1887 (before coming up) for three years and an extension was in 1890 specially granted to her for a fourth year Miss Palethorpe spent the first three years in preparation for the Classical Tripos Part I she worked hard steadily and successfully and obtained a good position in the Class List (Class II Division II) During the fourth year she prepared for the Historical Section in Part II of the Classical Tripos this involved the keeping up of pure scholarship and the working over a very considerable field of Ancient History which might well have taken two years it was very creditable to Miss Palethorpe that in one year only she should have taken a second class

I should expect to find Miss Palethorpe a thoroughly capable and vigorous teacher with a high standard and a real interest in her subjects and her pupils she has good ability ample knowledge and considerable experience of class teaching and I am sure that she will be most anxious to do thoroughly well whatever duties she undertakes

I shall be most willing to answer enquiries about Miss Palethorpe at any time if desired

Miss G L Palethorpe of Newnham College Cambridge was my private pupil in Classics during the Academical year 1890 1891

During that time I formed a very high opinion of Miss Palethorpe's industry and ability She translates with ease accuracy and style she has a sound appreciation of the subtleties of diction and her own compositions in Greek and Latin Prose shewed a thorough grasp of the fundamental principles of both those languages I regard her as being a born scholar enthusiastic for knowledge and well equipped with the means for its attainment

During the last six months Miss Grace Palethorpe has been working with me in Greek and Roman History for the Second Part of the Classical Tripos.

I have had good opportunities of judging her work and have in consequence formed a very high opinion of her ability and industry She has a thorough and sound knowledge of the Greek and Latin languages which she applies with ease and aptitude to her historical work so as to make it always accurate and scholarly Her work is thoughtful careful methodical and thorough and she has a wide interest in and good understanding of historical matters and methods Her genuine love of knowledge and power of appreciating her subject makes her a most encouraging pupil and would I am sure make her an admirable teacher both stimulating and thorough Any work she undertook she would do always with all her ability Her knowledge of Ancient History is considerable and she is thoroughly qualified to give instruction in it it would also be a very valuable help to her in any other classical work

Miss G L Palethorpe was my pupil at Newnham College for three years (1887–1890) and I have great pleasure in testifying to the high character of her work It has very rarely been my good fortune to have for a pupil a student of so much ability and enthusiasm and I have never met a more indefatigable worker

I find it difficult to do justice in any reasonable compass to my sense of her unusual qualifications for the most responsible work In six years of teaching women students of Newnham College Cambridge the majority of whom became teachers I have never met and I should never a ain expect to meet any one who so far stood out from the generality of teachers of either sex in exactly the qualities that make the head of a great school successful revered and beloved No one who knows Miss Palethorpe can speak of her moral qualities without enthusiasm Her unselfishness earnestness of purpose and devotion to duty in the widest sense combined with her power of sympathy and unfailingly sound judgment gave her commanding influence among her fellow students and would tell still more powerfully in any school which was fortunate enough to have her at its head

Of her intellectual qualifications I can speak quite as confidently She is widely read able lucid thorough and admirably systematic and I may perhaps point out that the Second Class in Honours which she obtained in both parts of the Classical Tripos is a combination of distinctions attained by scarcely more than one in a hundred women students at Cambridge not counting those who submit themselves to less exacting standards elsewhere. I am quite certain that any school which Miss Palethorpe is the head will in a very few years take a leading position among its contemporaries

Very few indeed of those who seek for classical teaching are fitted to undertake such responsible work as Miss Palethorpe She is thoroughly competent to prepare Clasical students for Entrance Scholarships at Cambridge and for all the Examinations of the London University up to and including the Final Examination for the B A Degree in Classical Honours

Miss Palethorpe possesses in an unusually high degree the power of method and organisation her teaching would be always of the highest order able stimulating unwearied and absolutely conscientious Her pupils would learn to work as she has done for the love of knowledge for its own sake Her influence in any school would be deep enduring and altogether good

During Miss Palethorpe's term of study at University College Liverpool prior to proceeding into residence at Cambridge I was (as Principal and Professor of Greek) familiarly acquainted with her work and was much impressed by the vigour and freshness with which beginning somewhat late she grappled with a new and difficult subject like Greek Considering the formed maturity of her mind when she began the study I felt her quick receptive power unusual she was a student who relied entirely upon intelligence not upon routine memory rules and her habits of thought were clear searching and accurate She was a resolute and eager student and her career was a triumph over difficulties that would have daunted many It needed unusual force of character as well as fine intellectual powers to secure the success she achieved in the Cambridge Honour Schools where her position in Part II of the Tripos testifies to the thoroughness and maturity of grasp which characterised all her work Her knowledge was singularly firm and clear cut and her teaching would be the same Both in organisation and discipline I cannot doubt that she would bring like qualities into play with good effect From her pupils and most of all from herself she would exact high standards of duty and devotion and with her long experience of school life would I believe apply her energies wisely as well as unsparingly turning them to the best account for the welfare of those confided to her charge

I have great pleasure in stating that Miss C L Palethorpe has been occupying the position of temporary Head Mistress of Queen's College School Harley Street during the present Easter term (the Head Mistress being unable to continue her work owing to weakness of health) and that she has most faithfully and satisfactorily discharged the difficult duties of such a position

Miss Palethorpe is a lady who has gained very high distinction at the University of Cambridge (Newnham College) and elsewhere while she has the practical knowledge and experience of one who has for many years been a teacher and mistress I have had many opportunities of forming an opinion as to Miss Palethorpe's qualifications for the position of Head Mistress of a school and that opinion is a most favourable one Miss Palethorpe is thoroughly qualified to teach girls in the highest as well as the lower classes and I have a very high regard for her in every respect as a teacher such regard being I believe fully justified by her ability attainments power of imparting knowledge and character The testimony of those who have had a longer knowledge of her confirms me in my opinion and shows how well Miss Palethorpe is qualified for the varied work of the Head Mistress of a school I shall rejoice in her obtaining an appointment worthy of her merits

Miss Palethorpe was Assistant Mistress in this College for a year (1891 1892) during that time she was Form Mistress of the largest class in the school took the Advanced Classics and overlooked the Latin work of the Middle and Lower School also helping with some of the English classes

Miss Palethorpe is a most successful teacher and she raised the standard of the Latin throughout the school in the most marked manner When she came to us it was the weakest subject and after her year's work the examiner testified to its being one of the strongest subjects in the school I cannot speak too highly of her teaching powers discipline judgment and conscientiousness She is a pleasant colleague and a most willing and valuable helper in the general management of a school She is thoroughly loyal genuine and vigorous and I was most sorry to lose her She is eminently fitted for the position of Head Mistress or for any other post which requires shrewd common sense and power of organization besides intellectual gifts I shall be pleased to answer any questions concerning her

Miss Palethorpe has been a fellow worker in my school for one term only and to my great regret is now leaving to undertake a more responsible post as Head Mistress

I am glad to have had her help even for so short a time The discipline and general tone of the classes under her care show marked improvement she is both strict and just and the work is well organised

Her teaching is excellent in all the subjects undertaken by her and would be well suited to more advanced pupils Here she has had no scope for teaching her own strongest subject—Classics

Miss Palethorpe is eminently fitted to be a head mistress so loyal a coadjutor should be a wise and firm ruler and I heartily wish her success in her undertaking

I have much pleasure in writing a testimonial for Miss G L Palethorpe During some years she was my most devoted and indefatigable colleague in my school near Liverpool Her sense of honour and principle is of the highest order her devotion to her work and the head of the school unbounded therefore the effect of her example and training was most beneficial to my pupils as many of them testify to this day Added to this her interest in people and subjects is many sided so that fellow teachers and pupils alike found in her a friend and sympathizer Her powers of discipline and organization are excellent and her teaching which she always made interesting was most satisfactory pupils whom she prepared for examination always passing very well I felt great regret when she decided to leave me and go to Newnham to take the Classical Tripos although I highly approved of her doing so

prepared to accept the post on Rs 400
rising to 500 by annual increments
of Rs 20 and will be on probation
for six months or a year. The reason
of her leaving Bankok is explained
in my D.O. letter No. 1 dated Sept. 8th and in my Personal letter
of Sept. 15th also attached to this memo.

She leaves Bankok because
the Siamese Government had failed
to keep its contracts with the
Assistant Mistress of the School.
Her age is about 35 and her Social
Standing good. Her educational qualifications and her experience as a
teacher and Head Mistress are far
superior to those of any other candidate
that has applied. She took a Second
Class in Classical Tripos both in Part I and Part II

From Newnham College. Her College testimonials speak of her in the highest terms both as regards her intellectual & moral qualifications. Her experience as Lady Assistant and Head Mistress in large English Schools is very valuable. Since her testimonials were printed she held the following posts:—

1894 Head Mistress of Walsingham High School

1895–6 Head Mistress Sandholme School for Girls, Waterloo Liverpool

1897–9 Head Mistress of the Elphinstone College Yalo Putney Hill

1899–1900 Head Mistress of Suanandalaya College Bankok

It is unfortunate that the mail from Bankok comes only

once a month, & perhaps a letter from Miss Sabethorpe so on its way Bangalore, but should not be received till the 14th October

Under these circumstances I propose that Miss Sabethorpe's services be engaged on probation for one year on Rs 400 plus Rs 60 house-rent and that she may be asked by telegram to come straight from Bangalore to Mysore She will probably arrive at the end of October In the meanwhile the sanction of the Govt of India may be obtained

I may add that Mrs Bhabha fully agrees with me in making the above proposals.

A portrait of Miss Sabethorpe received from Miss Rose is also sent herewith

Correspondance forwarded to
Mr. Wier —

I am of opinion that there is
nothing to be gained by waiting
for letters from Mr Palethorpe
as we are already in possession of
the fullest information about her
(short of personal interview) and
the reason why she is leaving
Bangkok, a reason which is on the
face of it to her credit
However we shall can put ourselves
on the safe side by engaging Mrs
Palethorpe for 6 months on probation
I am in a position to state that
the consent of the Govt of India may
be regarded as a mere formality
& money on the recommendation which
he thinks the Residency prepared
to make when addressed by the Govt
of Siam. Such consent however,
must precede the appointment &
am therefore in favour of wiring

the following effect —

II That inquiries be made if the services of a nun with suitable qualifications are available in the place of the late Mother Francis

III That as Mr A Narasim Iyengar has agreed to stay on for some time longer, the question of the appointment of Honorary Secretary be deferred

Proceedings of a Meeting of the Committee for the management of the Maharani Girls' School, Mysore, held on Monday, 5th March 1900

PRESENT

4 S M Fraser Esq I C S
5 Miss Ridsdale (*Lady Superintendent*)

7 Kasi Ramasesha Sastriar Esq
8 Kutti Narasimma Sastriar Esq
9 J Mallappa Esq
10 Rajakaryaprasakthi Rai Bahadur A Narasimhyengar Esq (*Honorary Secretary*)

I Resolved that the Committee note with great satisfaction that Rukminiamma has passed the First in Arts Examination of the Madras University, and cordially congratulate Miss Ridsdale and her staff on this unique distinction and success

II Resolved that Rukminiamma be recommended for permanent appointment in the Maharani Girls' School, on a salary of Rs 100

III Resolved that the Senior and Junior F A Classes be re opened and that the two girls who failed to secure a pass in the F A Examination of December 1899, be allowed to study for one more year on the same scholarship of Rs 50, with the same prospects guaranteed to them

IV *Proposed by S Fraser, Esq, I C S, and seconded by J Weir, Esq, M A, and passed*

That as the two girls Puttasubbamma and Kittamma who passed the Matriculation Examination of the Madras University, held in December 1899, and one girl, A Lakshmidevamma, the Matriculation Examination held in December 1898, are all three desirous of reading for the First in Arts Examination the Committee strongly recommend that they be granted the same scholarships and prospects as were given to the first batch of F A Students

The Committee is of opinion that this large and exceptional inducement is still necessary to encourage Higher Female Education

V Recommended that the school be called a Second Grade College which it is in reality, and that the services of Mr S Malhari Rao be permanently transferred to it He is now drawing Rs 325, and it is proposed that he be placed in B Grade I on starting pay of Rs 400, the increase being granted in lieu of personal allowance which had been originally recommended in consideration of the responsibilities devolving on him as Head Master of a large and important Institution like the Maharani College

VI Resolved that Mr Malhari Rao be recommended as a member of the Committee

VII Of 16 applications for admission, the following five were sanctioned all but one of them being students who have passed the Kannada Lower Secondary and desirous of reading for English Examinations

From	Name	Age	Caste	To study for
Mangalore	1 Subba Bai	20	Brahmin widow	First in Arts
Tinevelly	2 Thayammal	16	Vellalah	Do
Bangalore	3 Nanjamma	15	Non Brahmin	D
Bangalore	4 Singhamma	11	Brahmin	English Lower Secondary
Mysore	5 Jayamma	11	Kshatriya	Do

(2) The three following were received to study for the Vernacular Lower Secondary Examination

1 Puttamma, 2 Venkamma 3 Savitiamma

VIII Resolved that no deserted wives, or unprotected girls be admitted, and that no re-admissions be granted to any students who have at any time been dismissed

IX The Committee note with regret that although a strong recommendation, that the Maharani Girls' School Magazine be aided by Government, was sent up five months ago, no Government Order has yet been received The Committee is of opinion that the Magazine is of great service to the school, and that the practical hardship involved in the delay is very great, and it compels the Lady Superintendent to defray the expenses herself

X The consideration of the question of a Lady Assistant is deferred

XI In consideration of the much greater number of girls now studying in the High School and College Classes, the former scholarship grant is insufficient For the Junior F A Class of three students, an increase of Rs 150 is required, for which the Committee request Government sanction

XII Teachers taking leave to study for higher examinations must do so either on half pay or on the scholarship of the class, whichever is most advantageous to them In no case will both half-pay and scholarship be allowed

XIII Regarding the proposed changes and additions to the staff, it is resolved that Mr Bhabha be kindly requested to look into the matter with the Lady Superintendent and Head Master and make the necessary recommendations

N B—The Inspector General having looked carefully into the work of the School since its reorganization on an Anglo Vernacular basis find that two additional graduate teachers are absolutely necessary One should be an experienced B A in Grade C 4 Rs 50 to 100 and the other on salary of Rs 30 to 50 Class D 1

XIV Applications from the following teachers for promotion, were considered

1 T Venkatramier Music Master—Resolved that when savings are shown in the Music Department his case should receive attention

2 Subba Sastri
3 K Chintamani Rao, B A L T
4 K Sanjiva Chetty B A
5 C Ahobila Bharati

} These were referred to the consideration of the Inspector General of Education

XV Recommended that an additional carriage, for the use of the elder girls be sanctioned at a cost of Rs 450

XVI That the Government be moved to provide places in the forthcoming formation of the Census Department, for some of our teachers who are equal to office work, but are not up to the requisite level of efficiency in teaching now required
